

12th FESET SEMINAR

2020 Porto - Portugal

27, 28, 29
APRIL

Exploring innovation in socio-educational intervention: from utopia to reality

If you want to get ahead of innovation in social education and social pedagogy, explore new ideas, concepts and interventions with colleagues from all over Europe, debate about critical issues and expand your network, this seminar is the place to be! The program includes a mix of keynotes, open spaces for debates, workshops and round tables. Besides, Porto is an amazing city and of course, a free tasting of the famous Porto Wine is included in your participation.

Useful information:

The Seminar will be "paper free". An app is being developed to accommodate information about the program, communications in the workshops and round tables, rooms and themes where institutions on the ground will make their presentations. As soon as this resource is available, registered participants will be notified by e-mail with further instructions.

The Seminar will be held in two different locations, but both served by Metro (less than 400 meters from each location):

- 27 and 29 April: Fundação Eng^o António de Almeida (Francos station, lines A, B, C, E, F)
- 28 April: Escola Superior de Educação de Paula Frassinetti (Marquês station, line D)
